OFFICE OF LEGISLATIVE COUNSEL

Friday - 10 March 1972

1. (Confidential - JMM) Met with Chairman Hebert and Frank Slatinshek, House Armed Services Committee staff, and discussed the request of Representative Les Aspin (D., Wis.) for briefing on Soviet military matters (see Aspin's letter to the Director of 7 March). The Chairman reiterated the Committee policy of not briefing individual Committee members on such matters except through Committee channels or with the Chairman's approval. Hebert was under the impression that Aspin had not attended the Director's 8 February briefing of the Committee where some naval matters were covered, and recommended that we write to Aspin suggesting that he consult the transcript of that briefing for answers to his questions, explaining that we had raised the matter with the Chairman and this was the Chairman's proposal.

2. (Confidential - JMM) Attended LIG meeting in the White House. See Memo for the Record.

3. (Confidential - JMM) Lunched with Frank Slatinshek and discussed our problem with Representative Aspin, the Director's appearance before the Nedzi Subcommittee on classification and security (which Mr. Slatinshek said wouldn't come up for at least another week or so), and general problems of dealing with individual congressmen.

4. (Unclassified - RJK) Delivered a China Atlas to Carol Chance, on the staff of Representative Donald Fraser (D., Minn.).
